

The Pas de l'Allier and the Pas des Voûtes Pas de l'Allier et le Pas des Voûtes

Vercors-Drôme - Saint-Julien-en-Vercors

Pas de l'Allier (M. Rocheblave)

Follow the footsteps of the old mule tracks, which once linked the plateau of Vercors to the lower valley of the Bourne.

This hike offers a beautiful panorama of the two "big canyons" of the Vercors.

After a first part in undergrowth, the Pas de l'Allier and its magnificent panorama is offered to you. The hike then becomes a little more technical with notably the crossing of the Pas des Voûtes, before an easier return by the forest paths of the Bois de l'Allier.

Useful information

Practice : By walk

Duration : 3 h

Length : 7.3 km

Trek ascent : 367 m

Difficulty : Difficile

Type : Boucle

Themes : Géologie, Histoire et patrimoine, Point de vue

Trek

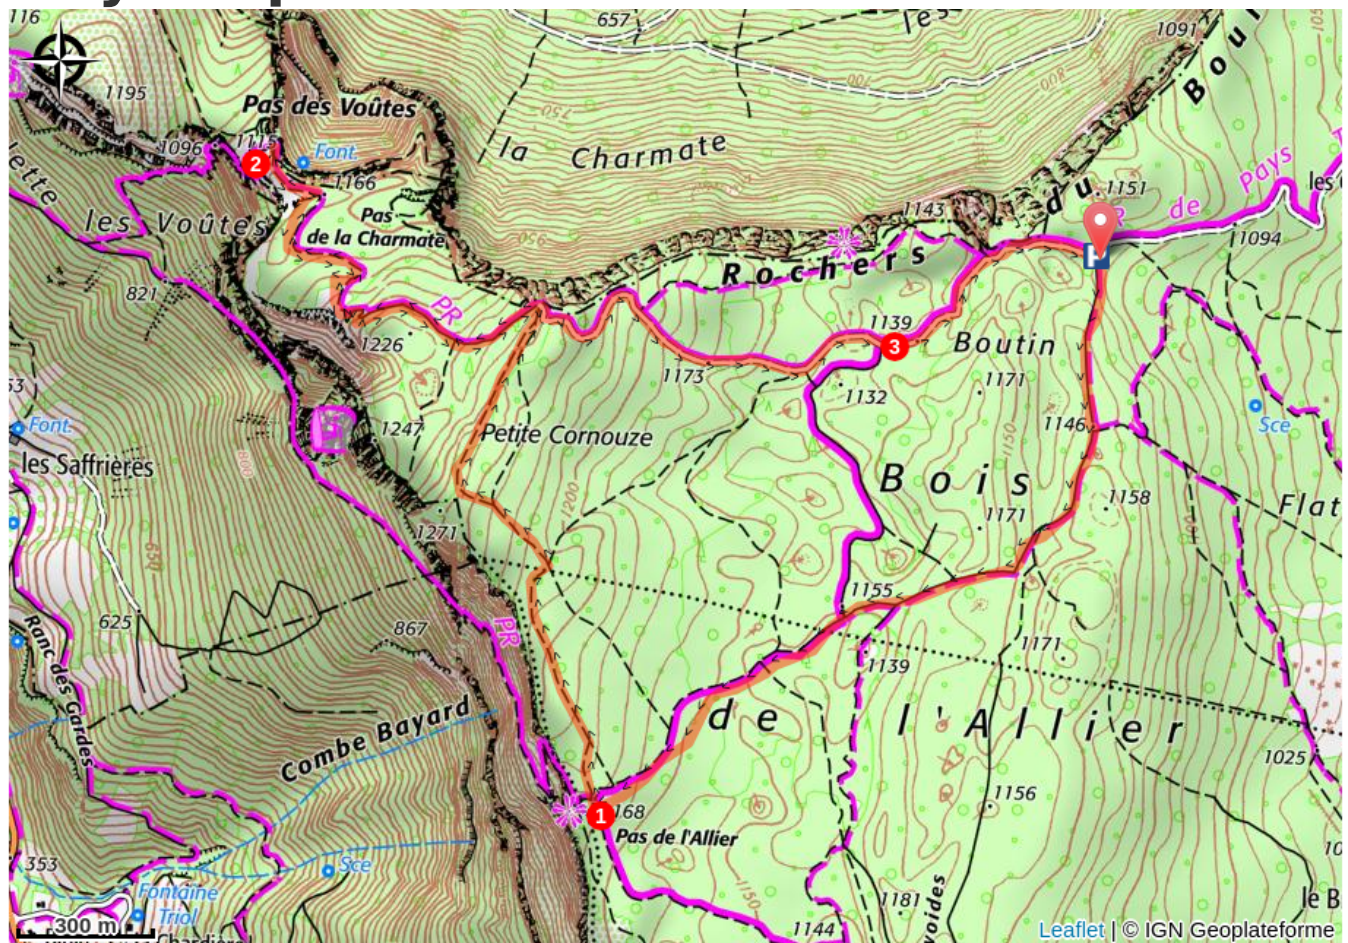

Departure : Parking place name La Plateforme, Saint-Julien-en-Vercors

Arrival : Parking place name La Plateforme, Saint-Julien-en-Vercors

Markings :  GRP  PR

From the La Plateforme car park, take the direction of Pas de l'Allier 3 on a forest track passing through Le Pin 1 and Micoulas 2, the path gradually narrows to the lookout point of Pas de l'Allier, where, you can admire an exceptional panorama on the Rhone valley in particular. Then descend to the cliff side by a narrow path (be careful in rainy weather!) To reach the crossroads of the Voûtes 4. From there, begin the gradual ascent towards the Pas des Voûtes 5, from which you can admire the panorama on the Gorges de la Bourne. Continue towards La Cabane à Lili 6, on the way, a must-see belfry on Choranche and Presles invites you to contemplation before joining the parking of La Platform.

On your path...

All useful information

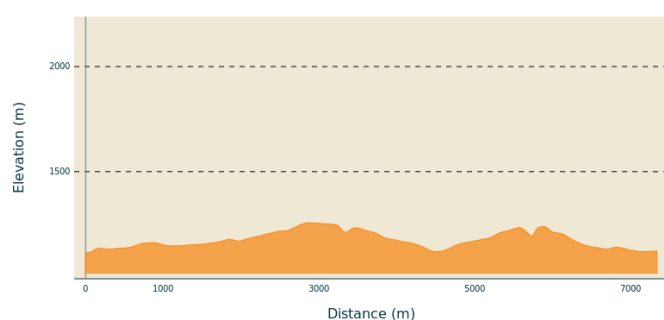

Advices

The greatest caution is recommended in rainy weather, a few slippery passages and corridors of landslides between the Pas de l'Allier and the Pas des Voûtes can be delicate.

Use the passageways to cross the fences, close the gates and barriers.

Stay on the marked paths is also respect private property.

Altimetric profile

Min elevation 1114 m

Max elevation 1257 m
