

The fiery fountain /fontaine ardente (eternal flame)

Piémont Nord - Le Gua

(M. Rocheblave)

Discover the Fontaine Ardente and its fiery flame that springs up from the ground as if by magic; it's also one of the seven wonders of the Dauphiné!

From the village of Saint-Barthélemy-du-Gua, this little walk in the countryside makes you discover the site of the Fontaine Ardente, a natural curiosity to see absolutely.

Useful information

Practice : By walk

Duration : 1 h 30

Length : 5.2 km

Trek ascent : 192 m

Difficulty : Facile

Type : Boucle

Themes : Géologie, Histoire et patrimoine

Trek

Departure : Saint-Barthélemy du Gua (parking near the church)

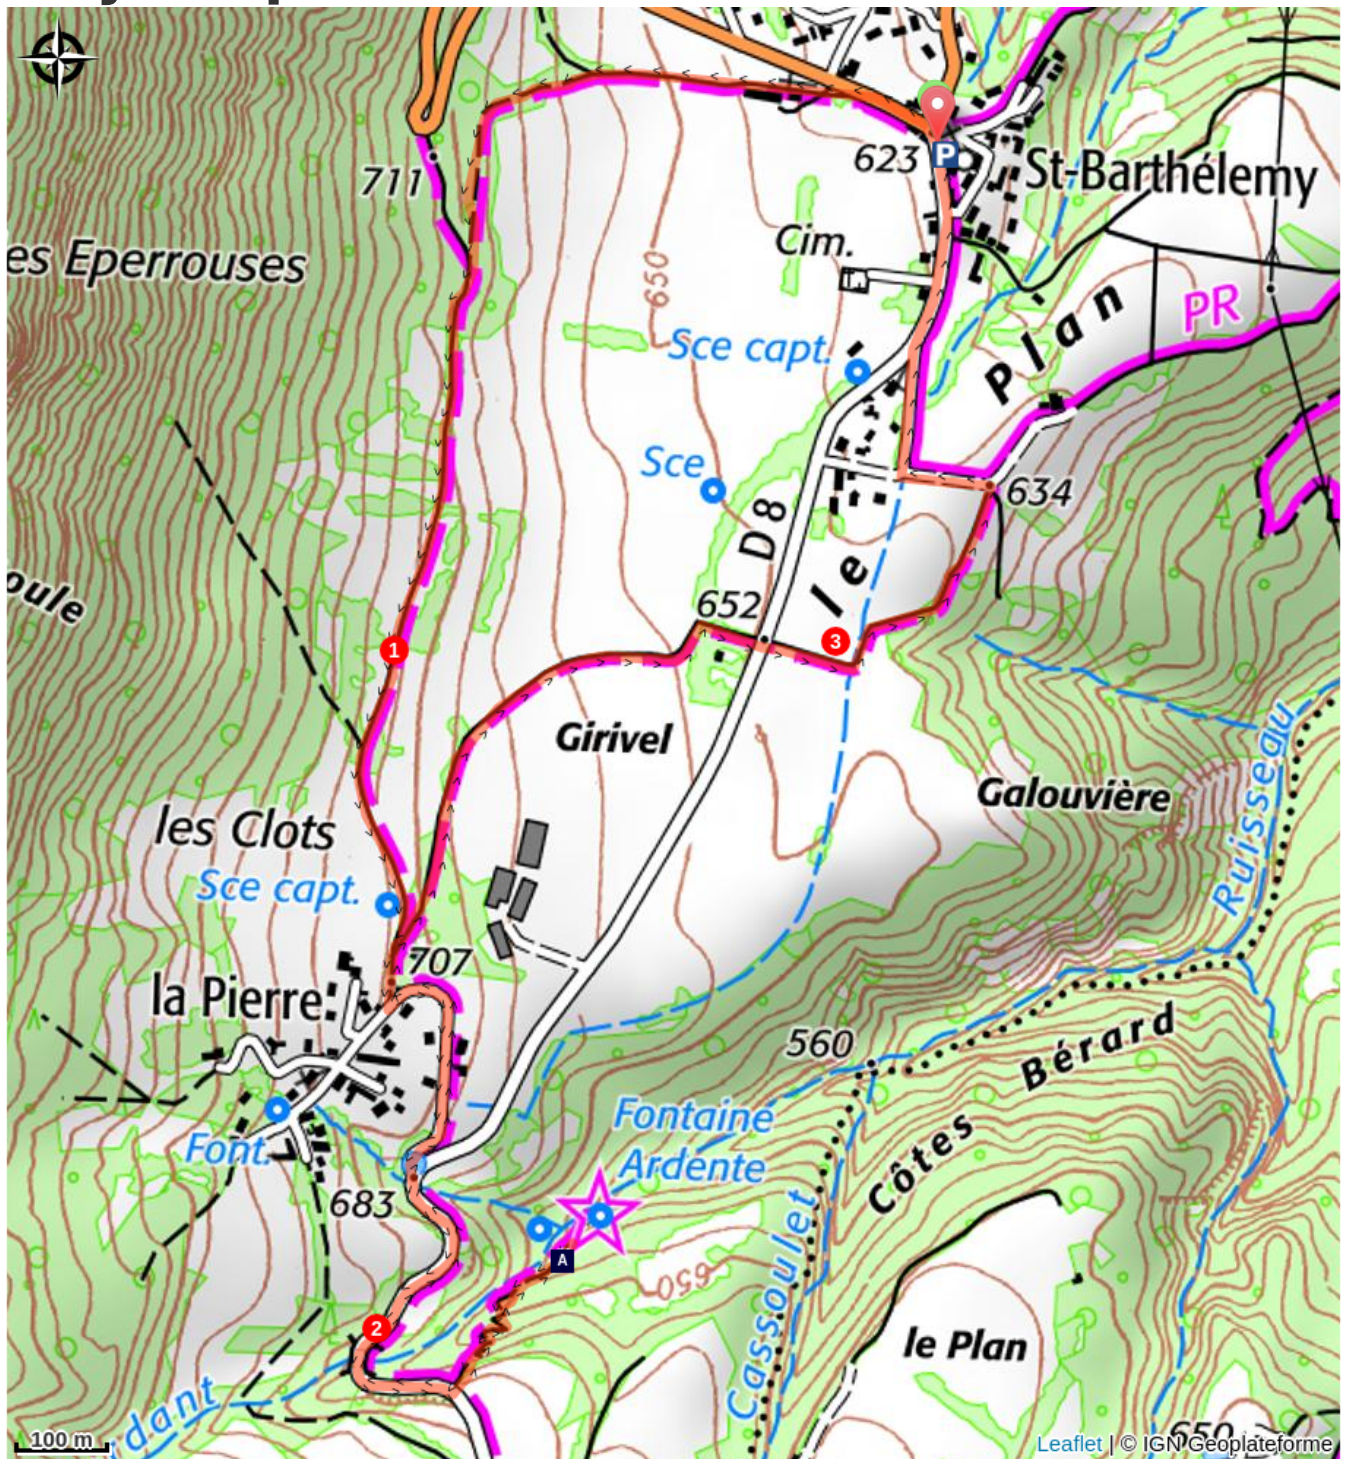

Arrival : Saint-Barthélemy du Gua (parking near the church)

Markings :  PR

From Saint-Barthélemy, take the direction of La Fontaine Ardente 2 passing by Les Clots 1. Beware of the children because you are led to borrow for a few hundred meters the edge of the departmental road!

After discovering the site of La Fontaine Ardente, return by the same route to Les Clots. Then follow Saint-Barthélemy through Le Plan 3.

The Fontaine Ardente (A)

The Fontaine Ardente, also called "La Font que brusle", is undoubtedly part of the Seven Wonders of Dauphiné. It is an emanation of gas (methane), a prisoner of the sedimentary layers of the secondary era, originally originating in the creek bed and could be inflamed, producing a phenomenon also known as wisp.
