Advices

Use the installed passages to cross fences, close gates and barriers.
Stay on the marked trails and respect private property.
The trails can be slippery in rainy conditions!
Do not cross hay meadows or cultivated fields.

Stay alert in spring: snowfields can last late into the season! (Check with the tourist office before setting out).

Important: when the weather is hot in summer, make sure you take ample water with you as well as adequate sun protection, including sunscreen, a hat or other essentials.

Parts of the route are at high altitude and may be covered in snow in winter. These sections may be impassable depending on your mode of transport.
